## Introduction to the Position Description Form

In completing this form, please respond to every section that applies to your position. After you complete the form, your supervisor and others will review it for completeness and accuracy, when they complete the "Supervisor's and Management's Review" section. Your responses are used to determine the ranking of your position relative to others in State government and aid in the operation of other human resource management activities. Your responses, therefore, need to be as complete and accurate as possible. They will not be used to evaluate your job performance, nor be seen as limiting the authority of an agency head or supervisor to assign work.

## GENERAL INSTRUCTIONS *(Please read these directions carefully.)*

Before answering each section, please read through the entire form. If further space is needed to answer a section completely and accurately, please attach additional pages. If a section does not apply to your position, answer "not applicable or N/A." Please type or, if you prefer, legibly write your responses onto the form.

### 1. Essential Duties of the Position:

In the first column of the table "List of Essential Duties Performed" on the next page, please describe the **essential duties** of this position in clear, concise statements. Begin each essential duty statement with an **action verb** such as: Drives, Conducts, Repairs, Files, Types, Answers, Summarizes, and Interprets. Avoid words having unclear meanings such as Assists, Performs, Provides, Handles, Maintains, Participates, and Deals with. Use examples if they would make the duties described more clear.

Then, for each of these duties, mark the proper response under each of the next three columns using the following guidelines:

- **Percentage of Time:** Estimate the percentage of time spent performing each duty. Do not include a duty which occupies less than 5% of your time unless it is essential to the position. The total of all percentages should account for between 90% and 100% of the position's time. Whether you perform this duty on a daily, weekly, monthly, quarterly, or annual basis, the following chart will help you estimate the percent of time you spend doing it.

Percentage	Daily	Weekly	Monthly	Quarterly	Annually
5%	1/2 hour	2 hours	1 days	3 days	2 1/2 weeks
10%	1 hour	4 hours	2 days	6 1/2 days	5 weeks
15%	1 1/2 hours	6 hours	3 1/2 days	10 days	8 weeks
20%	2 hours	8 hours	4 1/2 days	13 days	10 weeks
25%	2 1/2 hours	10 hours	5 1/2 days	16 days	13 weeks

- **Most Critical:** Rate how critical each duty is to the position's overall work objectives. Use a rating scale of 1 to 5 (rating from 1 being most critical to 5 being least critical). Duties performed infrequently or that do not involve a large amount of time may still be critical to the position. The same rating may be given to more than one duty.
- **Newly Assigned Duty:** Place a check mark (✓) in this column for those duties that have been newly assigned in the last six months and/or have been added since the last classification review.

[illegible]

### 3. Interpersonal Communication/Interaction:

- a. List those persons or groups **with whom communication** occurs in the performance of your duties. Beside each person, group, or organization listed, state the purpose for which the communication and/or interaction occurs.

Person/Group with Whom Communication/Interaction Occurs	Purpose of Communication/Interaction

- b. List the names and job titles of individuals you **directly supervise**. Beside each listing, note whether these are part-time or full-time positions, and, where applicable, the number of staff directly supervised by these individuals.

Person(s) You Directly Supervise	His or Her Job Title	Part Time or Full Time	Number of Staff He or She Supervises

- c. If your position involves leadership, supervisory, or managerial responsibilities for other staff, check (✓) below in the first two columns of boxes the responsibilities assigned to you on an on-going basis. Then check your level of **involvement in supervising/managing employees** regularly assigned to you.

List below the type(s) of machinery, equipment, tools, and/or software **used or serviced** in the performance of your duties. (Examples: typewriter, tractor, dump truck, computer terminal, adding machine, air conditioner, dialysis machine, drill press, offset press, mechanic's or carpenter's tools, drafting or artist's instruments, surgical instruments, pick-ax, shovel or software such as Microsoft Word, D-base, EXCEL.) Beside each item, briefly describe the purpose for which you use or service it. (Examples: move material, produce items, or input/update expenses or accounting data.) Then, specify what is done with it. (Examples: tend it, operate it, repair it, maintain it., or set/design spreadsheets.)

[illegible]

**Describe** the three most important decisions **you normally make** without higher approval or review. **Who or what is affected by these decisions?** (Examples: I determine the mission of an agency. I approve financial or material contracts worth X number of dollars. I determine the amount of benefits a client receives. I prescribe the type of medication for a patient. I dispense a prescription to the proper patient. I select the format in which to type a report.) Describe possible **errors in judgment** that might occur. What are the **consequences of errors** made? (Examples: Loss of program or agency reputation, Disruption of work, Waste of resources, Financial losses, Injury to self or others, Property damage, Legal actions.) Do not include errors that occur through gross negligence or failure to follow regulations or policies.

[illegible]

**6. Financial Responsibilities Assigned:**

If your position has any financial (budgetary or procurement) responsibilities, complete the following table, showing the **approximate annual value** of the item over which you have financial approval, accountability, or signature authority. If this value varies from year to year, calculate the average amount. For each item listed below on the left, check (✓) all boxes that apply. Do not list any type if less than \$1,500.00.

Type of Item of Value	Dollar Amount	Justify Needs & Recommend Proposals (✓)	Prepare Financial Data & Documents (✓)	Approve Final Requests (✓)	Authorize Expenditures or Allocations (✓)	Monitor, Track & Record Expenditures or Allocations (✓)
